Re: Letter of recommendation – Pace oil

Dear Sir/ Madam,

Should you be considering Pace oil to be your preferred oil supplier, I would provide this letter as confident recommendation.

Pace oil is a lubricant blender who will go out of their way to ensure you receive a great product at a good price, with phenomenal service.

I have been associated with Pace oil since Mid 2013, and have had nothing but pleasure in all my dealings.

I have also had great response on any of the technical queries I may have had to date, both in response time, and in the end evaluation of the situations.

Should you wish to contact me regarding my dealings with Pace oil, please do not hesitate to do so

Kind Regards

Ross Wrede
